

PRODUCT INFORMATION

#4018

Product information:

ETS BIO-DERUSTER is an amazing rust eliminator. a product which is result of extensive research.

ETS BIO-DERUSTER has been proven effective to remove even deep rust on all types of mild steel and iron. It is safe on all surfaces and does not harm copper, brass, aluminum, plastic, rubber or vinyl ETS. BIO-DERUSTER is non-flammable, non-toxic, non-corrosive and biodegradable. This product contains no acids, alkalins or petroleum solvents. ETS. BIO-DERUSTER will not effect un-rusted steel.

Working Method:

Pre-clean item to remove oil and dirt with ETS. Economic, Economic Plus or H.D.C. Rinse The item and immerse it fully in ETS. BIO-DERUSTER for at least 20 minutes Check progress periodically. Once rust is removed, rinse item with water. To prevent re-rusting simply dip the item back in ETS. BIODERUSTER and allow drying. Deeply rusted parts (>5mm) may require overnight soaking. ETS - BIO-DERUSTER can be used over and over until performance drops off .When ready to dispose of spent ETS - BIODERUSTER, only the iron content of the solution will dictate disposal method. In most cases it can be safely put down the drain.
